

Tape Transfer Form

McRoberts Video will transfer your VHS, VHS-C, Beta, Mini-DV, or 8mm digital tape to DVD. One DVD can accommodate up to 2 hours, however, a maximum of 90 minutes on a DVD is recommended in order to preserve the highest quality. We can make as many copies as you would like. Volume discounts are offered, see pricing information below.

Incremental chapters are included in price. We can create more detailed chapters or menus on your tapes (authoring), call for a quote.

We can combine tapes up to 2 hours, however price is *per tape*. If we can combine tapes on a DVD, the first tape is for the normal price for the price range, the following are \$10.00 each.
